

31ST ANNUAL KRYDERACING REGIONAL CHAMPIONSHIP SERIES

Official 2013 Schedule of events:

April 20-21	Steel Cities Double Regional at Pittsburgh International Race Complex
May 18-19	Mahoning Valley Triple Regional at Nelson Ledges Road Course
June 22-23	Finger Lakes Double Regional at Nelson Ledges Road Course
August 3-4	Steel Cities Regional at Pittsburgh International Race Complex
Sept 14-15	Finger Lakes Regional at Watkins Glen Road Course
Sept 28-29	Mahoning Valley Double Regional at Nelson Ledges Road Course
November 23	BANQUET

Rule 1: General statement: The SCCA Regions putting on the individual Regional events have all authority over any and all results of their events. For the purpose of our series, we will use the official results of each event as determined by the sanctioning Region. Any disputes arising from the decisions of the Region are to be resolved through that Region and not Kryderacing.

Rule 2: All competing drivers will be awarded points in their class based on the final results.

First Place:	9	points
Second Place:	6	"
Third Place	4	"
Fourth Place	3	"
Fifth Place	2	"
Sixth Place	1	"

In addition, each competing driver will receive "1" point for every competing car in their class that they were classified ahead of in the final results.

Rule 3: For the year 2013, in order to be eligible for the Series and class awards competitors must have paid entry fees for events sanctioned by a minimum of two different Regions. Competitors who enter, then withdraw, and are refunded their entry fee will not have the event counted towards their minimum.

Rule 4: Awards will be made in each class for Champion, Second, and Third Place. The awards will be presented at the annual Banquet. If no banquet is held, Kryderacing will assume the responsibility for delivering the awards to the recipients.

Rule 5: The host Region for each weekend of racing will have four sets of points to be awarded. Distribution of the points is up to the host Region. For example, if they are holding a single Regional event the races will award quadruple points. A double Regional weekend would probably award double points for each set of races. The 2013 MVR triple Regional will award double points for the Saturday races and single sets of points for each of Sunday's races. Remember to check the Supps of each event for how the host Region is awarding points.

Rule 6: Kryderacing has the sole right to make decisions regarding situations not covered by Rules 1-5.

We are still working towards contingency awards and expect them to be similar to the past. Thanks to Hoosier Race Tires, Sunoco Fuels, CarboTech Brake Pads, and Mazza Wineries for their past contributions.

Whether required or not, all the contingency sponsors would appreciate your displaying their logos in decal and/or patch form. Most are available through Kryderacing. Please display the Kryderacing Series decals.
